EDITOR'S MESSAGE

Whenever an issue of THEATRE ORGAN is undeliverable, because a member has moved, and has not notified our circulation office of the new address, it costs ATOS from 36¢ to 46¢ per copy just to have the Postal Service return the magazine to us. It costs ATOS a *minimum* of from 36¢ to 46¢ to remail the same magazine, in addition to costs of any correspondence necessary to determine the new address. When multiplied by the number of magazines that are returned six times a year, the expense in time and money to ATOS is phenomenal. And this is at current postal rates. After the first of the year, it will cost even more!

The solution is a simple one. If you are changing your address, notify your chapter secretary-treasurer as soon as possible. If you are a chapter secretary or treasurer, please don't accumulate address changes, "until you have enough to send." Send every address correction in promptly, even if you only have one. If you are not a member of a chapter, send your new address directly to the ATOS Circulation Dept., P.O. Box 1314, Salinas, Calif. 93901.

The results will save us all money and insure that your issue of THEATRE ORGAN will arrive on time.
