Assembling the Schober

ELECTRONIC ORGAN in KIT form

Now you can afford a real, full concert organ, just like those made by the foremost organ manufacturers. Because over ½ the cost is saved when you assemble it yourself. And it's REALLY EASY: only 24 separate units, all with printed circuits, and detailed-to-the-smallest-step instructions. In addition, you purchase each of the 24 kits when you are ready for it — and can afford it.

You'll get a real kick out of putting the "Schober Electronic Organ together — and then sitting down and pulling out the stops for Strings, Trumpets, Clarinets, Diapasons, Flutes, etc.

Compact CONSOLE

One of the many exclusive features of this exceptional offer is the handsome console, made by hand in Old World Craftsman manner. It is equally at home in a traditional or modern setting, and takes little more space than a spinet piano.

Free Literature

Complete descriptive booklet and price list are available on request. And, if you wish to hear the glorious pipe organ tone of the Schober Electronic Organ, a 10" long playing recording by Dr. C. A. J. Parmentier, renowned organist, is available for \$2. This is refundable when you order. Write today and see what a fine instrument you can get at such a great saving.

At your service—still

Although no one took advantage of our offer which appeared in this space in No. 3, we still find it hard to believe that everyone has all the organ equipment he wants, and that no one wishes to part with any that he now has. This applies to new and used organs, organ equipment, amplifiers, phonograph equipment, records, and any other item related to the organ or its reproduction, including all types of organs—theatre, pipe, classic, baroque, electronic, electro-mechanical. Even mouth organs.

The rate for classified ads for individual sellers or buyers is 10 cents per word with a minimum of 10 words. For commercial suppliers of equipment, the rate is 25 cents per word, with a minimum of 10 words. To be included in Vol. II, No. 1, copy should be mailed (together with check or money order) to Radio Magazines, Inc., P.O. Box 629, Mineola, N. Y. so as to be received before March 15.

Professional announcements of organists and business cards of organ builders and parts suppliers will be accepted at the rate of \$5.00 per insertion on a contract basis to include four issues, or at a rate of \$6.00 for a single insertion. Each announcement in this section may be 2¼ in. wide by 1 in. high.
