present for the concert including Don Story of Phoenix, Arizona, who was the farthest from home; while others came from Springfield, Missouri; Kansas City, Missouri; Miami, Oklahoma; and Oklahoma City, Oklahoma.

Daylight savings time and a post-concert party managed to cause many of the chapter to get little sleep. Also the need of being up and at Bob Foley's house at 10:00 a.m. for the groundbreaking of the large new studio room to house the 4/22 Morton-Wurlitzer caused others to lose more sleep. Representatives from three A.T.O.E. groups manned shovels to turn the first dirt. Dr. Robert Fray, secretary of the Heart of America Chapter, Kansas City, Missouri; Mrs. Oneta Puckette, representing ATOE'ers from Miami, Oklahoma area; and Bob Foley, Chairman of the

Mid-America Chapter. A good time was had with a jam session on the 3/5 Morton-Wurlitzer.

Final activity of the week was a trip to the Miller Theatre for the regular Sunday morning session. Members and guests alike were well entertained by Bob Foley, Don Story, Oneta Puckette, and Victor Rork.

This type of conversion is not unusual around the U. S., but in Chicago this was the first time the public had been exposed to theatre organ in a long time. This first public CATOE concert was important for two reasons: the overwhelming public response necessitated returning Pearl to the Barton console on May 18, and secondly, the powers-that-be in theatre management circles were forced to sit up and take notice at the response to live theatre organ. It is now known the public relations man for Brodman and Sherman theatres was aware of the show, and more important, the Balaban and Katz chain knew of it too. In speaking with a B & K executive relating to other matters shortly after CATOE's first success, it was stated B & K "had spotters out" for the show. In response to a question about resuscitating organ activities (notably at their Chicago Theatre) at B & K, the reply was "This is the first time it has been done and we'll have to wait and see what happens if it happens again." Thus where the official silence at B & K about their organs had been as solid as a stone wall, the wall seems to have been cracked. It would seem that nothing succeeds like success.

nesses, underscored all prat-falls, and raced with dogs, pussycats, heroes and villains. There wasn't a rough edge or a dead spot in the entire twenty minutes of music and effects. Anything after this *tour de force* couldn't have been other than an anticlimax. So Bill obliged with some oldies, played a few requests and said good-night with *San Francisco*—the one with "little cable cars." Spontaneously the entire house rose to its feet for a standing ovation. Bill finally got away by playing *76 Trombones*. Only then did the happy fans head homeward to turn their clocks forward—thus losing still another hour's sleep.

Aside from being an artistic triumph for Bill McCoy—which it was!—the concert has brought about an immediate renaissance of interest in theatre pipe organ music in eastern Nebraska. "Please do it again, soon." say the press, the fans, and those who missed the concert, but now wish they hadn't. And who knows, they might just do that in Omaha.

Briefly, the results are as follows:

The Board strongly suggests that all chapters take steps to incorporate and obtain liability insurance.

The National insurance policy will be changed to a general liability policy effective immediately.

The Board gave full support to a program of streamlining and standardizing the National structure, aimed at eliminating confusion and unnecessary bookwork, and to improve communication. Details will be in a letter to Chapter officers.

An increase of \$1 was unanimously passed, raising National dues to \$7 annually, beginning Jan. 1, 1968. This was deemed necessary due to increased business and printing costs over the last three years.

A roster was deemed unfeasible at this time due to the cost, and because it is so soon out of date due to constant movement of the members. An alternative solution is being studied.

A new policy regarding selection of future convention sites and dates was adopted. Bids will be called for each spring, and the site and dates will be de-

termined on at the Annual Board of Directors Meeting during the convention. The announcement will be made at the Annual Membership Meeting and Banquet, and subsequently published in the official publication, *Theatre Organ Bombarde*.

It was announced that Bill Peterson is retiring from the post of Publications Director after the August issue of *Theatre Organ Bombarde*. Tom Kaasa, Seattle Wash., has agreed to accept the post. The editorial staff will remain the same, with George Thompson and W. Stuart Green as editors, with the addition of Lloyd W. Klos as contributing editor. Vi Thompson will continue as Circulation Director. A word of thanks was given Bill for his fine accomplishments in the past year.

National elections were held, with the following results:

### President

*Richard H. Schrum, Seattle Wn.*

### Vice President

*Richard F. Kline Jr., Frederick Md.*

### National Sec'y

*Marilyn A. Schrum, Seattle, Wash.*

### Treas.

*W. "Tiny" James, Alameda, Cal.*

A word of appreciation was given to retiring officers Dottie MacClain and Erwin Young Jr., who will remain on the Board.

The Honorary Member for 1967-68 was selected. Retiring Vice President Erwin A. Young Jr. was selected by a unanimous vote.

The meeting was adjourned at 12:00 noon by a very unanimous vote.
